

New Initiatives in Loss Prevention

This is the title of our conference to be held on September 21 and 22, 2005. The venue is The Chevrans in Jurong East. It is conveniently located not far from Jurong East MRT Station.

Mark your calendars to attend because we have a really interesting and instructive program lined up. Our aim to is to provide **new information and new perspectives** about the subject of Loss Prevention.

DAY 1

- Two Keynote Speakers -- one from Industry and one from the Regulatory Authority
- Papers
 - Alarm Management Research
 - Fires and Explosions
 - Global Harmonization System for Classification and Labeling of Chemicals (GHS)
 - Bio-remediation as an economic solution for waste treatment
 - Learning from Incident Investigations
- Panel Discussion
 - Going beyond the obvious in Incident Investigations

DAY 2

- Workshops
 - Parallel Workshops on
 - + Fires and Explosions
 - + GHS
 - + Universal Assessment Tool
 - + Bio-remediation and Waste Water Treatment
 - + More

Our speakers will be from industry, MOM and academia. So you will hear the latest.

Please note that SLP is an Accredited Continuing Professional Development Course Provider. As such, we are applying to MOM to award SDU's for this conference.

The cost for each attendee is \$ 600 for SLP members and \$ 650 for non-members.

Mark your calendars and be sure to attend !

You will be receiving more details from the SLP Secretariat very soon.

We want to hear from you

The SLP Newsletter is circulated among members and other like-minded organizations. We are always seeking to improve the quality of this publication.

We welcome contributions of interesting news that cover loss prevention in the oil, chemical and process industries.

Please send your contribution or any queries to:
